One of the most delightful affairs of the week was the dinner dance given by Miss Betty Case, daughter of Major and Mrs. D. B. Case, at the Pleasanton Hotel on Tuesday evening.

Twenty-six were seated around the beautifully decorated table in the private distinct of the p vate dining room, though so inspiring was the music of the Honolulu quintet which played on the lanal outside that no one could resist for longer than one course at a time, but spent the brief intervals ragging or doing the tango. The color scheme for the affair was lavender. A greaceful cen-terpiece of lavender asters and ferns was used, the shaggy flowers tumbl-ing over the sides of the bowl and far out on to the white damask cloth. Loose asters and maiden hair fronds were scattered over the cloth, with vari-colored ben bons and favors. The place cards were miniature asters sainted in delicate mauve shades. painted in delicate mauve shades. A short history of Leahi Chapter No. 2, O. E. S., may be of faterest. It was brought into existence by a call Grant, and Mrs. E. L. R. Crabbe who held the first meeting with the proposed charter members of the now thriving chapter. This was on Saturday evening, February 16, 1901. At this meeting Mrs. C. A. Galbraith was selected to institute the chapter, and the following officers were elected to serve during the first year of the chapter: Worthy matron, Mrs. E. E. Grant: worthy patron, Mr. L. T. Grant: associate matron, Mrs. E. L. R. Crabbe. The charter was received March 22. 1901, and on Saturday evening, March 30, of the same year, the chapter was instituted, the event being honored by the presence of distinguished Eastern Star officials from many of the grand lodges of the states. From that beginning Leahi Chapter No. 2 has prospered year after year with the membership at present numbering 96, . . .

Col. and Mrs. French's Reception. fore it was that on New Year's eve many groups of society folk, instead of attending the masquerade ball, preferred climbing into automobiles and motoring about the streets. These parties generally ended with a jolly supper with which to usher in the year 1914. Such an affair was the supper given by Mr. and Mrs. F. B. McStocker. After motoring about town-to the number of several machines full-for several hours, the party returned to the McStocker home on Lunalilo street where delicious "eats" were served.
